

## How to Navigate to Your Courses in webCampus

There are a number of ways to navigate to your courses on webCampus. Choose the method that best meets your preferences.

### Via the WebCampus home page Course Categories drop-down menu

The webCampus home page lists resources and course categories. You can search for courses using the **Search courses** feature or expand the categories to find your courses.

The screenshot shows the top navigation area of the webCampus home page. At the top right, there is a search bar labeled "Search courses" with a yellow box around it and a "Go" button. Below the search bar, the word "Courses" is displayed. Underneath, there are two expandable menu items: "- Student & Faculty Resources" and "Student Resources" (which has a yellow box around its arrow). A callout box points to the search bar with the text: "Type all or part of the course name here to find a course." Another callout box points to the arrows on the menu items with the text: "Click on the arrows next to the category and subcategory titles to expand the menu."

### Via the Dashboard page

Select the **Dashboard** link along the top of the webCampus homepage to review a list of your courses.

The screenshot shows the top navigation bar of the webCampus homepage. The bar is dark purple and contains several links: "Home", "Dashboard" (highlighted with a yellow box), "Webmail", "UWS sites", "Library", "Learning Tools", and "Support". Below the navigation bar is a banner featuring the University of Western States logo and the text "UNIVERSITY of WESTERN STATES webCampus".

Your **Course Overview** page lists **In progress**, **Future** and **Past** courses separately. Each course title is a direct link to the course home page.

The screenshot shows the "COURSE OVERVIEW" page. At the top, there are two tabs: "Timeline" and "Courses". Below the tabs, there are three filter buttons: "In progress", "Future", and "Past". The main content area displays a course titled "UWS New Student Orientation - WI18". To the left of the course title is a circular progress indicator showing 38% completion.

A circle to the left of the course title indicates your percentage of completed activities in the course. **NOTE:** This may not accurately reflect your actual state of completion, as it is dependent on how a course's completion criteria have been set.

---

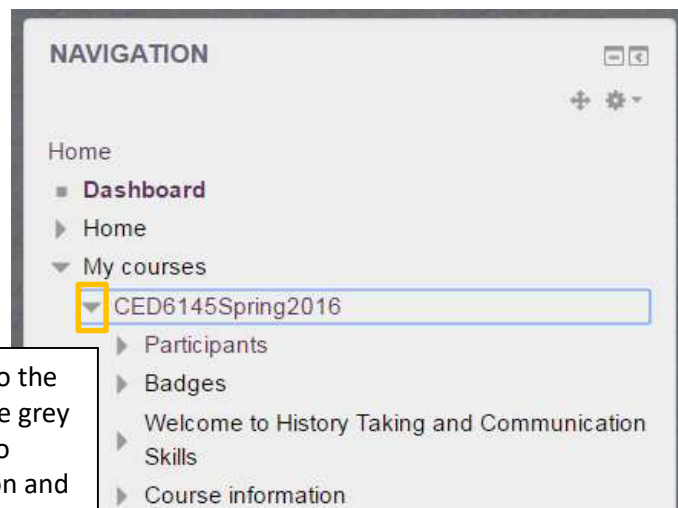

You can also customize the blocks which appear on your Dashboard by clicking on the **Customize this page button** in the top right corner of the screen.

## Via the Navigation block

You can also use the **Navigation** block to access your course. Click on the grey arrow to the left of **My Courses** in the navigation block to view your courses.

You can click on the course name to go to the last page that you viewed in the course or click the grey arrow next to the select the course page you want to access.

Each title is a link to the course section. The grey arrows allow you to expand each section and select the activity to navigate to as well.
